

2017 KCCS Fresh Cadaver 'Facial' Dissection Workshop in MANILA

March 17th – 18th (Fri.-Sat), 2017

CASSTI at The Medical City, Manila, Philippines

Korean College of Cosmetic Surgery

2017 KCCS Facial Cadaver Workshop

Educational Hands-on Cadaver Workshop to Avoid Cosmetic Surgical Complication

17th ~ 18th March, 2017 Manila, Philippines

Greeting Dear Colleagues,

The Korean College of Cosmetic Surgery, in conjunction with Philippine Society for Cosmetic Surgery, will host the 12th KCCS Fresh Cadaver Workshop for Cosmetic Surgery at CASSTI @ The Medical City, Manila, Philippines

Aims of this Cadaver Workshop are to educate the workshop attendees about the intimate knowledge of the basic and surgical anatomy, and to practice cosmetic surgical procedures on fresh cadaver under the direct supervision of experienced cosmetic surgeons. Attendees can have hands-on practical training of cosmetic surgery on 'fresh cadaver' whose state is very similar to live human tissue.

Most of the speakers are cosmetic surgeons and are the fellows and professors of KCCS. All lecturers will devote their undivided attention to the enhancement of the attendees' anatomical knowledge and will guide attendees through common cosmetic surgical procedures as planned in the program.

This workshop will provide attendees a memorable hands-on experience on 'fresh cadaver' and able to observe live surgeries conducted by our experienced speakers who are experts in their own field.

We hope you can join us and have a great workshop together.

President of KCCS
Woong-Chul Choi MD, PhD & FKCCS

Founder of KCCS
Kyoung-Jin(Safi) Kang MD, PhD & FKCCS

Description

This workshop is designed to provide the participants with the unique opportunity to gain hands-on experience with dissection of fresh cadaver specimens. The workshop will consist of both lecture and dissection with the focus on the facial part of cadaver. The workshop intends to promote understanding of the intricate and various facial cosmetic surgery. This will enhance the cosmetic surgeons' skills of cosmetic surgery. The intended audience is cosmetic surgeon and plastic surgeon.

Workshop Highlights

- Fresh cadaver specimens
- ~60% of the course will be hands-on dissection
- Dissection preceded by lecture and guided by dissection instructions
- Experienced instructors and assistants to support participant's dissection
- Dissection instruments and supplies provided (basically)
- Positive and personal atmosphere, well suited for mastery of information
